Pet ownership is a serious commitment that the entire household needs to consider and agree to before the animal is adopted. We want to ensure that each adoptive household is aware of and willing and able to accept the physical and financial responsibilities of pet ownership. Not everyone that desires a pet is ready to properly care for one.

I understand all of the questions and have completely read the adoption application and understand that this Green Bay Animal Rescue cat MUST be indoors and will not be kept outside. I further understand that if for any reason I want to give up this cat, I will call Green Bay Animal Rescue and undergo a 14-day waiting period in which representatives of the group will work with me to resolve any issues with the cat. I also understand that a representative from the organization may visit the cat to ensure that it is well taken care of; if we find that the cat has been neglected or abused in any way or for any reason, we reserve the right to remove the cat from the premises. Your signature below authorizes us to do so as necessary, and automatically transfers ownership rights of said cat back to Green Bay Animal Rescue at that time.

Green Bay Animal Rescue assumes no responsibility nor shall they be held liable for any damages caused by the adopted Animal to property, person, or other pets. If any medical problems should occur after adoption, Green Bay Animal Rescue is not liable for any medical bills.

As Adopter, I agree to accept full responsibility for the care of this animal releasing the previous owner as well as Green Bay Animal Rescue and its representatives of any liability from this date forward. I agree to abide by the adoption conditions and realize that I am committed to this animal for his/her life.
